

PARENTS IN PARTNERSHIP

Family Learning Event
S2 Options Event

AIMS:

- To provide an opportunity for parents and carers to meet the next steps team.
- To provide parents and carers with information in the lead up to pupils picking their s2 options.

DESCRIPTION:

The event was for all S2 parents to attend and discussed the Next Steps team and the work they do in supporting young people into positive destinations. As part of this, we explained the role of Skills Development Scotland and the importance of choosing the right subjects to support their child's career aspirations.

Feedback from parents :

"The presentation was very good and it was great to learn the supports the school has in place."

"I have a better understanding of the role Skills Development Scotland has in the school."

"The presentation came at the right time as my son was choosing his subjects for s3."
